## AGM RULE CHANGES.

The following Rule changes were made at the A.G.M on Fri 10th January by the members present.

1. It was proposed to avoid any confusion that all sizeable BASS caught will now be Measure & Return on both Shore & Boats comps. Weights coming from the Club's Bass Weight to Length Chart. Passed
2. Proposed to increase the Signing On Fees to £4.00 for Senior Members on both Shore & Shallow Boat comps. Passed
3. It was proposed that the Shore Signing on will finish 1 hour before all Competitions. Any late arrivals can sign on at the weigh in if they have informed the Signing On Officer or any Committee member before fishing. Passed
4. It was proposed to give out Cash Prizes on Shore & Shallow Boats comps instead of Vouchers. Passed

## VOUCHERS.

As passed at the AGM it was decided to give CASH prizes out at all Shore & Shallow matches. If any member has still got some to use they must be used at a Shop by the end of 2020 as they have a use by date on them. If it becomes a problem at giving out cash prizes we might convert back to the Vouchers. Can any member fishing the Shore & Shallow Boats try to have the correct monies to sign on. This will help in giving out the cash prizes to the winners quicker.

## TEAMS

Any member who wishes to enter the Team competitions on either the Shore or Shallow Boats, please remember to make sure that your name is put on the list on the next competition that you fish. As last year each team will have a **TEAM CAPTAIN** who will draw the other team members from the hat. These Captains will be decided on the finishing order in last years championships. So if for example there are enough entries for 15 teams then positions 1 to 15 will be the team captains with number 1 drawing first down to number 15 and then repeated for the third team member. This draw will take place at the weigh in of the 3rd comp in each section. Don't forget there will also be **TEAM KNOCK-OUTS** run on both the Shore and Shallow Boats, so once the teams have been drawn the captain will draw the **TEAM NAME** that will be used for the rest of the year. So if you want to be included in the Teams please make sure your name is on the list.
